- ♦ The Indian Foundry Industry is producing estimated 9.344 Million MT of various grades of Castings as per International standards.
- ♦ There are approx 4500 units out of which 85% can be classified as Small Scale units & 10% as Medium & 5% as Large Scale units.
- ♦ Foundry Industry has a turnover of approx USD 15 billion with exports approx. USD 2 billion.
- ♦ India's casting industry expected to reach USD 19.2 billion by 2016.
- ♦ The healthy growth of exports – approx 25% - 30% year on year.

The Trade fair... IFEX 2015

11th International Exhibition on Foundry Technology, Equipment, Supplies and Services concurrent with 63rd Indian Foundry Congress will be an excellent platform for the Indian as well as overseas companies to showcase their state-of-the-art technologies and services being offered to this vibrant industry to get exposed to new business opportunities.

Concurrent Trade Fair Cast India Expo 2015

*Building brand India
a global sourcing destination for castings*

The only trade fair in India, which is rapidly becoming one of the important casting sourcing destinations in Asia - Cast India Expo will be organized concurrent to IFEX 2015 and 63rd Indian Foundry Congress. This is an excellent platform for the foundries from all across India to display their capacities and capabilities to the buyers coming from across the globe.

Cast India Expo is a platform for the Indian Casting Manufacturers to display their casting manufacturing capacities and capabilities. The presence of these casting manufacturers as exhibitors in the same venue will provide a ready customer base for Indian and International suppliers.
